

QUARTZ™

HYBRID

Enjoy a live multi-table game experience from a single player station.

INTRODUCTION

Quartz™ Hybrid connects you with up to eight live table games at the same player terminal. A touchscreen displaying eight colored tabs lets you switch between and view live outcomes from each available game. This action packed hybrid gaming experience gives you the opportunity to wager concurrently on up to eight games at once with just the touch of a finger, super-charging the excitement.

HOW TO PLAY

To place your wager, choose the amount that you'd like to bet by touching the casino chips across the bottom of the screen. Then touch the area on the screen where you'd like to place your bet. Wagers, winnings, and credits remaining can be viewed in the bottom left portion of the screen. Awards will be rounded down to the nearest whole cent.

The look and feel of the games and their individual components and displays are trade dress of Light & Wonder, Inc. or one of its Subsidiaries.
