**Encore Rewards App – Express Entry**

Onfido uses facial recognition technology and your biometrics in order to verify your identity.

Your participation in the Casino Companion App (“App”) beta test is voluntary. By participating in the beta test you consent to your personal information being collected in accordance with the Freedom of Information and Protection of Privacy Act, British Columbia, and it being used, accessed, disclosed, and stored by BCLC and its service providers, including Onfido, for the following purposes:

- To verify your age and identity. Specifically, your biometrics will be used to verify that your photograph matches the image on your government issued ID card.
- To confirm the validity of your photograph and identification. To assist in verifying if the information (first name, last name, date of birth and address) captured on the Photo ID matches what was provided by you during the enrollment process.
- To evaluate and demonstrate the use of this facial recognition technology by completing ID at Entry enrollment for an individual who chooses to verify their age and identity using Onfido.
- For research and analysis purposes to determine if this facial recognition technology is a viable solution to enhance BCLC’s ID at Entry program or for identity verification during the Casino Companion App enrollment process and to assess App functionality.

Your personal information includes your: Encore account information, IP address, first and last name, address, gender, date of birth, driver’s licence/ID card number, full images of the front and back of your government issued ID card, your photograph, and your biometric information (facial scan data and identity verification results).

If you have questions about the collection and use of your personal information related to this beta test you may contact [VerifiedPlay@bclc.com](mailto:VerifiedPlay@bclc.com).
